## **PRINCIPAL'S REPORT**

Kia ora koutou

Our Cross Country on Wednesday was fabulous! It was lovely to see so many parents and grandparents sharing the day with the runners. Of course, the amazing weather helped. It is so much nicer to be able to demonstrate the results of all the training the children had been involved in without having to rush through it all because of impending rainclouds.

Cross Country isn't easy! Not every child is a 'runner' so we try and emphasise to the children that we look forward to seeing their improvement through the effort they make. Why? Well you don't have control over who is going to win a race but you do over the effort you put in. It takes children a while to realise they can't control what others do, only what they do. I hope your children came home proud of their efforts.

Of course there were winners on the day and those children now have the opportunity to represent Manawaru School in the Te Aroha District Cross Country event. Lucky for us it is here at Manawaru School.

Congratulations to Leo, Mathew G, Xaiver, Shaun, Tamahou, Stellar, Kaitlyn, Jack R, Kaleb, Brody, Summer, Ruby G, Jaylyn, Piper, Janzter, Josh, Rylan, Felix, Matty, Elayna, Therese, Emma, E.J, Pascal, Jack A, Caitlin, Hannah, and Ivanah.

Thank you to Sarah who took photos of the day - if you haven't checked them out you can find them on our school face-book page.

That dreaded 'Lost Property Pile' is growing in size again. Thank you so much for sending along spare clothes to school but please, please please, name them! For some unknown reason we have items of clothing belonging to no one - somehow they just turned up at school all by themselves.

Thank you for supporting the staff on Monday and keeping your children at home. We had an extremely busy but productive day working with Lester Flockton who helped us with strengthening our local curriculum. We certainly made some head way having worked on the framework as well as on writing. We are very excited with how it is progressing and how we are able to make assessment more relevant. Watch this space!
